DETAILS: Joni Lamb knows firsthand that the life of a mother is one filled with unending tasks and vital responsibilities. It can easily overwhelm, but Lamb has grasped the key to maintaining balance – surrender.

We all have struggles and while surrender doesn't guarantee a perfect life, it does enable us to overcome the everyday difficulties that can bog us down. In her book, "Surrender All," Lamb shares the message of discovering the amazing journey God intended and fashioned for each of us. Through simply offering control to the One who created us, we can learn the peace that comes through trusting God.

With Mother's Day on May 10, Lamb can share encouragement and wisdom for fellow moms, helping them begin a journey of surrender. For additional information, visit <http://www.securedaystar.com/surrenderall/>.
