SYNOPSIS:

Set sail on a hilarious adventure on the high seas that’s fun for the whole family with “The Cheesy Adventures of Captain Mac.A.Roni.” Join the young courageous trio of Princess Sandy, Mikey and Eddie, as they set out to rescue Liberty Island’s greatest treasure from the sinister clutches of Pirate Grime. With the help of the valiant, and outrageous, Captain Mac.A.Roni and his cream pie-throwing sidekick chicken, Cheese, our trio sets sail on a dangerous and inspiring mission full of laughter and mayhem that ultimately leads to a meaningful conclusion, teaching children valuable, biblical lessons about forgiveness and love in the face of adversity.
