The Rock Mission, Vision Statement and Beliefs:

Mission

Save, Equip, and Send out a highly motivated ARMY of believers who engage every segment of society while remaining true to our DNA.

Vision Statement

The Rock will be a global and highly trusted model of relevant and innovative evangelism.

Beliefs

- We believe that the Bible is the inspired Word of God which He uses to reveal Himself to us, increase our faith, and provide direction for our lives.
- The Bible teaches that there is only one God who exists in three distinct persons: the Father, the Son and the Holy Spirit. This doctrine is called the Trinity.
- We believe that God created the human race to have fellowship with Him, but that our sin separates us from Him who is holy and righteous. God loves us so much that He sent His only Son, Jesus Christ, to die for our sins so that we might be reconciled to Him. We believe that repentance from sin and belief in Jesus Christ as Lord and Savior is the only way to be saved from eternal judgment.
- The Rock Church is here to lead you into a life-changing and productive relationship with Jesus Christ. We want to equip you to spread God's love, forgiveness, and compassion to the lost and hurting people in San Diego and the rest of the world!
