## Earthquakes & The End Times:

**As Another Earthquake Strikes Chile, Pastor and End Times Expert Can Speak to the Significance of Earthquakes in Biblical Prophecy**

**WHO:** **Phil Hotsenpiller** is a teaching pastor at [Yorba Linda Friends Church](#) in Southern California. Hotsenpiller has long-studied eschatology, the study of the end of the world, and is a theological expert on biblical end times prophecy. He has exhaustively studied the Bible and the world's end through its portrayal in art, literature and movies and is well-versed on Apocalyptic timeline events from the Middle Ages through Modern Day.

**WHAT:** Following this morning's 7.2 aftershock in Chile, many people are wondering if the string of recent earthquakes are all connected. Are the earthquakes in Haiti, Chile and Turkey a signal of the "last days?" Is there biblical meaning to this influx of natural disasters and bizarre weather?

**WHEN:** By appointment

**WHERE:** In studio or via phone

**DETAILS:** Yorba Linda Friends Church will host a special prophecy seminar for individuals interested in learning the significance of earthquakes and other natural disasters in biblical prophecy on Monday, March 15 from 7:00 – 9:00 p.m. PT.

Hotsenpiller leads an annual prophecy conference at Yorba Linda Friends Church over Labor Day weekend that explores current events and their relation to what the Bible says about the apocalypse.
