End times scholar to interview Son of Hamas at prophecy conference

Credentialed press invited to join media roundtable before event

WHAT: Teaching pastor and end times expert, Phil Hotsenpiller, will be hosting a three-day seminar, open to the public and to the media, at [Yorba Linda Friends Church](#) in Southern California on Sept. 3-5 to discuss theological perspectives of current events and their relation to the “last days.” On Friday night, Sept. 3, Hotsenpiller will interview Mosab Hassan Yousef, known as the Son of Hamas, about Islam, peace in the Middle East and how this relates to the biblical end times. Hotsenpiller and Yousef will be hosting a roundtable discussion for media prior to the evening event.

WHO: **Phil Hotsenpiller**, teaching pastor at Yorba Linda Friends Church in Southern California, has long-studied eschatology, the analysis of the end of the world, and is a theological expert on biblical end times prophecy.

Mosab Hassan Yousef, the oldest son of Sheikh Hassan Yousef, a founding member of Hamas and its most popular leader, assisted his father for years in his political activities while being groomed to assume his leadership role in this terrorist organization. In his best-seller, “Son of Hamas,” Mosab Yousef – now called “Joseph” – reveals new information about the world’s most dangerous terrorist organization and his belief that the Christian mandate to “love your enemies” is the only way to peace in the Middle East.
