Son of Hamas Joins End Times Scholar for Prophecy Conference:

Hotsenpiller to analyze current events and their relation to the “last days”

YORBA LINDA, Calif., Sept. 2, 2010 – Phil Hotsenpiller, teaching pastor and end times expert, will be hosting a three-day seminar in Southern California on September 3-5 to discuss current events and their connection to end times prophecies, as well as interviewing Mosab Hassan Yousef, known as Son of Hamas. Hotsenpiller and Yousef will be available for media interviews before the event.

On Friday night, Sept. 3 at 7 p.m., Hotsenpiller will interview the Son of Hamas, about Islam, peace in the Middle East and how this relates to the biblical end times. Yousef is a founding member of Hamas and its most popular leader, assisted his father for years in his political activities while being groomed to assume his leadership role in this terrorist organization. In his best-selling book, “Son of Hamas,” Mosab Yousef –now called “Joseph” – reveals new information about the world’s most dangerous terrorist organization and his belief that the Christian mandate to “love your enemies” is the only way to peace in the Middle East.

“With war in the Middle East, climate change, suspicions of countries testing nuclear weapons and an increased occurrence of natural disasters, many people are speculating if the end of the world is near,” said Hotsenpiller. “I believe those speculations would be correct. This weekend will be an informative and exciting look at the signs of times.”

The seminar, at [Yorba Linda Friends Church](#) in Southern California, is open to the public and to the media. Topics to be discussed at the prophecy conference include:

- Severe weather, volcanoes, earthquakes, oil spills and the end times
- Political and economic climate and the end times
- Why is today different than any other concerning the end times?
- Timeline for the end of the world

- Is the anti-Christ alive today?

Hotsenpiller, teaching pastor at Yorba Linda Friends Church in Southern California, has long-studied eschatology, the analysis of the end of the world and is a theological expert on biblical end times prophecy. Yorba Linda Friends Church puts on the event each year. Tickets are not needed and the event kicks-off at 7 p.m. on Friday. For more information visit: <http://bit.ly/cVLlp5>.
